Tampa Author and Grandfather Pens New Children's Book That Promotes Environmentalism and Character Values

TAMPA, FL – September 7, 2023 – Tampa resident, grandfather, and long-time freelance writer Michael Panzner is excited to announce the release of his first children's picture book, "Josie, Johnnie and Rosie and the Ocean Rescue!"

This engaging tale, aimed at 3-7-year-olds, follows the adventures of a little red-headed girl named Rosie and her twin unicorn friends, Josie and Johnnie, as they work together to save ocean life and clean up the beach.

Drawing inspiration from stories he has shared with his children and grandchildren, Panzner has crafted a narrative that also promotes themes such as friendship, compassion, and perseverance.

"I want kids to see that they can make a positive difference in the world, no matter how small their actions may seem," Panzner explained. "Strong values such as empathy, courage and kindness underpin the entire book."

Having lived in various locales, including London and the US Northeast, Panzner's diverse experiences have enriched his storytelling. Now residing in Tampa, he continues to be inspired by the coastal vibrance of the entire Tampa Bay region.

Published by Twin Unicorn Publishing LLC, the book is beautifully illustrated by Brooke Beaver, who brings the whimsical world of children's literature to life with her colorful and vibrant designs.

"Josie, Johnnie and Rosie and the Ocean Rescue!" is available in paperback. For more information or to schedule an interview with Michael Panzner, please contact Twin Unicorn Publishing LLC. Review copies are available upon request.
