## Discover the magic!

Follow the adventure of three wonderful friends - a little girl and twin unicorns - who journey to the beach and end up saving a family of fish. After rescuing them, the trio realizes the sea and the sand also need their help, and they join with others to clean things up. Aided by special unicorn magic, they restore nature's beauty and show how to make our world a better place.

## What Goodreads Early Reviewers Say:

*This is a magical children's book, which my daughter and I loved reading...Highly recommended!*

- Catherine Craig (1,032 reviews)

*This book was a big hit with my 4-year old daughter and also with me!...We hope to read more stories featuring these sweet unicorns and their friend Rosie!*

- Hillary (120 reviews)

*Solid five stars for this one! I love the illustration style, clean yet pleasant to the eyes. Not to mention how beautiful it is. Love it!*

- Thesleepypages (40 reviews)

**About the Author:** Michael Panzner is a long-time freelance writer who's always been a child at heart. Inspired by the countless stories he's shared with his children and grandchildren, Michael crafts tales designed to entertain, spark the imagination, and instill values like kindness, courage, empathy and perseverance. Having lived and worked in various locales, including the U.S. Northeast, North Carolina, and London, England, Michael now resides in Tampa, Florida with his wife, Catherine, and their loyal dog, Geoffrey.

**About the Illustrator:** Brooke Beaver is an illustrator with a BFA in Graphic Design. She has worked with wonderful authors, illustrating their children's books and enjoys the fun, whimsical world of working in children's literature.
