Making the World a Brighter Place

Join The Sunny Day Squad -- Ollie the monkey, Poppy the puppy, Daisy the rabbit, and Ted the horse -- on a heroic journey from Gaggle Grove to find the fabled Caringstone, a magical gem that can make the saddest child smile. Using their unique talents, the four friends work together to overcome obstacles, solve problems, and spread joy. This heartwarming tale celebrates the power of friendship, bravery, and perseverance -- a perfect story for bedtime...or anytime!

What Early Reviewers Say:

Michael Panzner's wonderful story, accompanied by Polly Mooney's colorful illustrations, will make any child smile.

-- Reader's Favorite

This is a wonderful story which my daughter and I loved, and we really liked the gorgeous illustrations and the cute characters.

-- Catherine Craig (Goodreads, 1,126 reviews)

This is the perfect book for children about friendship and sharing!

-- Jon Nakapalau (Goodreads, 5,255 reviews)

About the Author: Michael Panzner is a long-time freelance writer who's always been a child at heart. Inspired by the countless stories he's shared with his children and grandchildren, Michael crafts tales designed to entertain, spark the imagination, and instill values like kindness, courage, empathy and perseverance. Having lived and worked in various locales, including the U.S. Northeast, North Carolina, and London, England, he now resides in Tampa, Florida, with his wife, Catherine, and their loyal dog, Geoffrey.

About the Illustrator: Polly Mooney is a freelance illustrator based in the UK, with a BA (Hons) and MA in Illustration and Animation. Creating mostly digital art on her iPad, she enjoys bringing adorable characters, especially cute animals, to life. Online, she shares her artistic journey through her YouTube channel, "Pollygone Illustration," and extends her creativity to real-world products she designs, illustrates, and sells at pollygoneillustration.com.
